

IS THE MAIL BECOMING AN ISSUE?

**Paying bills, balancing your
checkbook, knowing your
insurance is paying what it should,
keeping your doctor appointments?**

DCAN, a DC BROWN Family Company is here to help! We do the paperwork, organization and tracking/paying the bills and make sure you or your loved one doesn't get bogged down!

As we age, the mail seems to multiply. Unfortunately, a lot of that mail is targeted scams. We can sort through that, along with your other mail. We review all EOB's and make sure your insurance is working for you. We even file the LTC paperwork if needed!

We know it's hard when children are not local or sometimes, there are no children. We help to make sure things are running smooth, communicating with whom ever our Client wishes.

If you think you or perhaps someone you know could use our help, give us a call. We will meet at your home, our office or somewhere in between.

We offer a free consultation to discuss your situation and see if we are the right solution.

Each of our clients have plans tailored to their specific needs. All of us are different and DCAN provides personalized services to each unique senior!

We look forward to speaking with you soon! We are bonded and insured for your protection.
